

RENTAL AGREEMENT POLICY

*** Customer Responsibility ***

1. Furnish a qualified operator.
2. Perform daily inspections and maintenance, check oil levels.
3. Grease the machine.
4. Unless break down of equipment is immediately reported to us during the rental period, no rental adjustment will be considered.
5. Clean equipment before returning, or cleaning charges will be applied.
6. Abnormal wear or damage to machine, tires, tracks or attachments due to neglect or abuse, will be charged to the customer.
7. Customer is responsible for all property and liability losses.
8. Do not paint or damage paint on any equipment, or paint charges will be charged to the customer.
9. Immediately discontinue use and notify us if machine has fluid leaks, low fluid levels or any safety faults occur!!
10. Do not attempt any repairs, call us if machine requires service.
11. Return machine full of fuel or fuel fill charge will apply.
12. Call when job is complete or rental rates will continue.
13. Delivery is available for additional charge.
14. Customer promises to pay any damages and rental adjustments as per this agreement.
